

Short Presentation & Tour

Natural History Museum Abu Dhabi (NHMAD)

The Natural History Museum Abu Dhabi was designed by the architectural firm Mecanoo. This museum is currently in the final stages of development. Set to become a major center for scientific research and public education, it will showcase the story of life on Earth.

Focus of the Visit: Museum architecture, with an emphasis on sustainable design and innovative spatial planning for scientific exhibitions.

Note: Non-Disclosure Agreements (NDAs), provided by the museum, must be duly signed by all participants prior to the commencement of the visit.

Short Presentation & Tour

Louvre Abu Dhabi

Opened in 2017, the Louvre Abu Dhabi is a landmark institution designed by Jean Nouvel. As the first universal museum in the Arab world, it features artworks and artifacts from a wide range of cultures and historical periods.

Focus of the Visit: Museum techniques, particularly storage design strategies for the preservation of high-value and diverse collections in a challenging climate.

Informal Presentation

Guggenheim Abu Dhabi

The Guggenheim Abu Dhabi was designed by Frank Gehry. It will be the largest museum in the Guggenheim network upon completion. The museum will focus on modern and contemporary art, with a special emphasis on the artistic contributions of West and South Asia and North Africa.

Focus of the Visit: Informal Presentation about museum architecture, exploring contemporary design approaches and the challenges of large-scale cultural infrastructure in the Middle East.
